SSO's demand for payment shall include a statement that one or more of the Events of Default under Article VI of this Purchase Agreement occurred. For avoidance of any doubts, when submitted a demand, request or statement by the SSO, the Bank/Parent Company shall unconditionally forward the payment to the SSO without any right to question, condition, or investigate the grounds upon which the SSO claims the payment from the Bank Guarantee/Parent Company Guarantee (e.g. the details regarding whether Event of Default actually occurred).
- 3.4 The Customer shall be obliged to maintain the Bank Guarantee/Parent Company Guarantee valid during the entire term as specified above in this Article.
- 3.5 Anytime after the execution of this Purchase Agreement the SSO shall be entitled to demand and the Customer shall be obliged to deliver within 10 days from the receipt of written notice of the SSO the supplement or replacement of the Performance Assurance to the satisfaction of the SSO in case material adverse change occurs, which means occurrence of any of the following events:
- a) **Expiration or challenge to Performance Assurance.**
If any Performance Assurance was terminated, revoked, withdrawn, downgraded, ceasing to be in full force and effect, its validity and effect challenged.

 - c) **Customer Change of Control.**
In case a change of control occurred at Customer (whether through merger, reorganization or consolidation or similar transaction, liquidation or dissolution, a sale of shares or other equity interests, or a sale of all or substantially all of assets) through a single transaction or series of related transactions. For the purposes of this Article Control means, in relation to a body corporate, the direct or indirect (through one or more intermediaries) power of a person to secure that the affairs of the body corporate are conducted in accordance with the wishes of that person by means of the holding of shares or the exercise of voting power or by virtue of any powers conferred by the constitutional or corporate documents or shareholder or similar agreements.
- 3.6 Unless the Performance Assurance is not supplemented or replaced to the satisfaction of the SSO within 10 days from the receipt of the notice of the SSO, it shall be deemed as a breach of Customer's material obligation with consequences according to the Article VI. of this Purchase Agreement.
- 3.7 The SSO shall be entitled to require the Customer to prove at any time during the term of this Purchase Agreement that its professional, technical, personnel and financial capacity to fulfil the obligations under this Purchase Agreement persists. For the

- c) details of any existing or impending dispute or proceeding (including judicial, arbitration and administrative proceedings), which could have adverse impact on the fulfilment of the Customer's duties under this Purchase Agreement should they result in negative outcome for the Customer;
- d) information on the Customer's permits, authorisations, and licenses necessary for the fulfilment of the duties under this Purchase Agreement.

3.9 The Customer shall be obliged to furnish the SSO with the above information or documents in the form required by the SSO without undue delay after delivery of the SSO's request. Should the Customer breaches this duty, it shall be deemed as breach of Customer's obligation with consequences according to the Article VI. of this Purchase Agreement.
